ABOUT THE FACILITY

City of Hope Seacliff, operating as a City of Hope National Medical Center (COHNMC) hospital-based facility, is a new and nearly 17,000 square-foot-center. As our second-largest outpatient facility in the region, City of Hope Seacliff provides patients with a broader range of services closer to home. Here, you will benefit from exceptional, highly specialized cancer expertise, advanced technology and groundbreaking cancer research. Our physicians and staff walk alongside you in your journey to survivorship in a calming environment featuring tailored furniture, curated artwork and coastal colors. The facility offers:

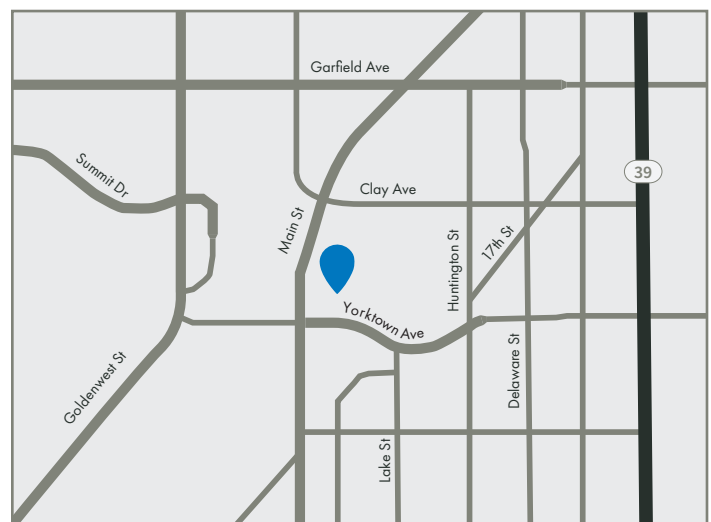

- 20 spacious private infusion bays while patients and their caregivers enjoy serene top-floor views of coastal Orange County
- 15 light and bright exam rooms equipped with large screen monitors
- Onsite surgical procedures to include expert biopsies and other minor procedures
- Sub-specialty services for gynecologic oncology, urology and leukemia treatment
- Access to groundbreaking clinical trials
- Family resources including an onsite, dedicated social worker and financial counselor
- Supportive care and integrative oncology expertise to treat the whole person – body, mind and spirit.
